About Xilin Association

Since its founding as a 501(c)(3) as a language program provider in 1989, Xilin has been faithful to its mission to serve the underserved individuals and families by providing diverse and comprehensive social services and empower seniors, the youth, and new immigrants by breaking language and cultural barriers.

Systematically, Xilin has expanded its capacity to offer services in:

In-Home Service: Trained caregivers, a variety of language capacity, regular supervisions, and trainings.

Senior Day Care: Nutrition meals, door-to-door pick up, exercise and educational workshops.

After School Program: Fun activities for kindergarten-fifth grade and complimentary pick up.

Community Health: Preventive screenings, immunization, and doctors' consultation.

Welcoming Center: Food, housing, utility, transportation, and medical benefit assistance.

Holistic Case Management: Provide client-centered and family-centered services including public benefits assistance.

Performing Arts: Ethnic culture retention and education.

Senior Nutrition Congregate Meal Program: Provide nutritious hot lunches.

Illinois Pathway to Health Program: Program to Encourage Activity, Rewarding, Lives; Manage your Health and Memory Café.

Over the last thirty some years, Xilin has served the needs of thousands of its diverse clients in times of need and hardships, strengthened family bonds and social connections from its six centers in Chicago, DuPage, Kane, Lake, McHenry and Will.
